

EXTRA-CURRICULAR INFORMATION

Extra-curricular/WIAA Sponsored Athletic Programs: The RHS athletic program offers the opportunity for both young men and women to participate at an interscholastic level. An athlete may participate in one sport per season. The following sports are offered:

Baseball	Hockey	Track and Field
Basketball	Lacrosse	Volleyball
Cross Country	Soccer	Wrestling
Football	Softball	
Golf	Tennis	

The extra-curricular program also offers the opportunity to participate in the following **Activities:**

Academic Bowl	Homecoming Court	Science Club
ACTIVO	Jazz Ensemble	School Store
Competitive Cheer	Key Club	Social Justice Alliance
Equestrian Club	Math Team	Student Council
Fellowship of Christian Athletes	Musical	Swim Club
Football Cheer	Multicultural Art Club	Yearbook
Forensics	National Honor Society	
Future Business Leaders of America	One or Three Act Plays	
Future Farmers of America	Outdoors Club	
German Club	Pep Band	

Conduct at Extra-curricular Events: Students are expected to exhibit good sportsmanship at both home and away events. Good sportsmanship means finding ways to support and encourage your team in positive ways, while treating other observers, the officials and opposing team/coaches with respect. Therefore things like fighting, booing, heckling, derogatory signs/symbols/chants and cheering/etc., throwing or dropping items (or refuse), or possession/use of tobacco products, controlled substances and/or alcoholic beverages (regardless of the site) are unacceptable. Noncompliance with the letter or spirit of this provision may be grounds for ejection from that and other events. Noncompliance may also lead to disciplinary action under the RHS Discipline and Conduct guidelines and/or the Extra-curricular Code.

Extra-curricular Code: The Board of Education has approved an extra-curricular code which covers students participating in all extra-curricular activities. The Assistant Principal/Athletic Director will review the code at 9th grade orientation. Any new students should watch the presentation on the code. Before participation can begin **an extra-curricular code agreement must be signed by students and parents/guardians** in addition to the other required documents.
