Plan C Gains Support

Below displays the number of residents who said “Definitely yes” or “Probably yes” to only one Funding Support option.

| Option | Number of Respondents | Total % of Respondents |
|--|-----------------------|------------------------|
| Plan A: Build a New High School | 54 | 5% |
| Plan B: Build a New Middle School | 52 | 5% |
| Plan C: Combine the middle/high school | 217 | 22% |
| Plan D: Rebuild the middle school | 45 | 5% |

What is Plan C?

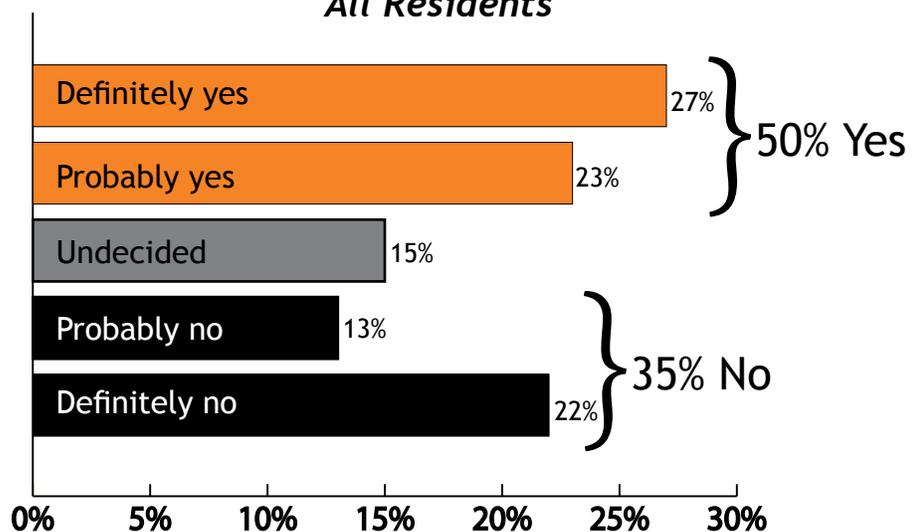

Combine the middle/high school by building an addition onto the high school. The plan maintains the pool, auditorium and adds a gym, cafeteria and classroom space to accommodate all students in grades 7-12.

The plan includes significant upgrades to all building systems and includes middle school demolition. Plan C would cost \$29.1 million, representing an estimated annual tax impact of \$123 for \$100,000 of a home’s value.

Plan C: Combine the middle/high school

Tax Impact of \$123 for each \$100,000 of a home’s value

All Residents

50%
of all residents
approved of Plan C

The **Ripon Middle School** needs a significant investment. Educationally, many classrooms and the site are significantly undersized compared to modern schools. The school also lacks flexible space for large group meetings and today's evolving technology. Some people have questioned if the District should make any future investment in a 75 year-old building.

When residents were asked how the Board should proceed with planning for the Middle School...

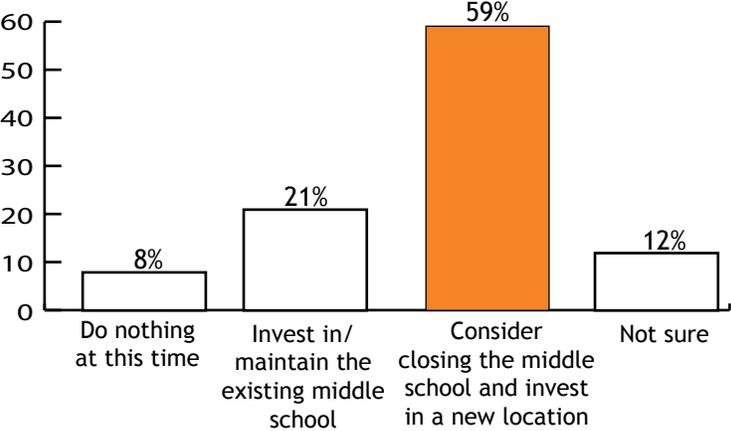

59%
support closing the middle school.

How important are the following factors?

Very Important (3), Somewhat Important (2), Not Important (1)

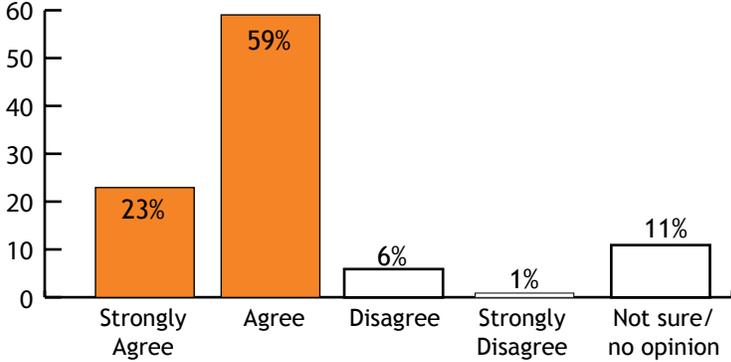

| Item | Average |
|--|---------|
| Develop student employability skill | 2.77 |
| Helping students develop a plan for life after high school | 2.77 |
| Programming for students with disabilities | 2.61 |
| Programming for students at-risk of not graduating | 2.57 |
| Improving school safety/security | 2.55 |
| Providing access to the latest technology | 2.51 |
| Operating energy efficient buildings | 2.51 |

What advice would you give the board?

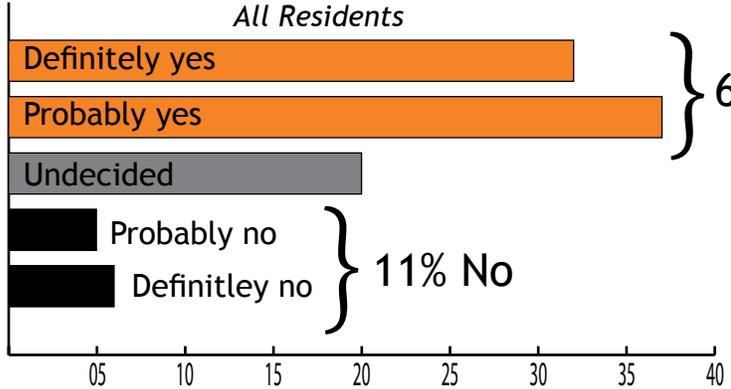

District Communications

Am I satisfied with the communications that come from RASD?

Operational Referendum

Would you likely support the continuation of the current \$500,000 operational referendum which would maintain the current tax rate?

Next Steps
Upcoming Board Workshops
May 27th and June 9th
